Dear Sir,

Re: Request for Meeting to Discuss Installation of Natural Gas in Districts of Saint James North Constituency

I write this letter in my capacity as the Parliamentary Representative for Saint James North.

I herein kindly request a meeting with you and your appropriate senior officer(s) to discuss the probability of natural gas being installed in certain areas of Saint James North constituency in the near future.

I am aware, for example, that residents of Bakers, Lower Carlton and in the Mount Standfast area have made requests to your organization for this facility.

I look forward to soon hearing from your office on this issue.

Yours faithfully,

Edmund G. Hinkson, M.P.

Member of Parliament for St. James North

CC. The Residents of Saint James North
